

When It Comes to Your Profits, We Think Big.

When we opened our 94Fifty Product Training facility, we tripled the top line revenue of our host facility's training service in less than 9 months. We know our products can do the same for you.

By adding a single 94Fifty system to your business, you can bring lasting value, new customers, and more profit to your personal training, camps, clinics and AAU teams.

One 94Fifty System Can Generate Immediate Return By Attracting New Customers and Adding Revenues With Existing Customers.

12 Months After Implementing 94Fifty...

94Fifty is a proven way to impact your basketball business:

- Attract more high profit personal training.
- Sell subscriptions for a profit and increase your revenue per customer.
- Increase repeat business and bring clients back more often.
- Retain customers longer.
- Increase showcase, camp and clinic attendance and add revenue per customer.
- Make your AAU teams more competitive.

Let Us Show You How 94Fifty Can Increase Profits By \$25,000, \$50,000 Or More.
